Patriots Park Trailhead

800 Venetia Bay Blvd., Venice

Patriots Park offers restrooms, picnic tables and benches. The park is also home to a paved courtyard dedicated to veterans of world wars, first responders, the victims of 9/11 and heroes everywhere.

Venice Train Depot Trailhead

303 E. Venice Ave., Venice

The Rollins W. Coakley Railroad Park and historic Venice Train Depot is the perfect spot to host a party, meeting or special event. This unique facility also houses a small museum with displays native to the Venice area and the locomotive industry.

VENETIAN WATERWAY PARK

The Venetian Waterway Park trail is 10 miles in length and follows along both sides of the Intracoastal Waterway. At the northern terminus, trail users can access historic downtown Venice, which features shopping, restaurants and cultural attractions, including the Venice Public Library, the Venice Museum and Archives, the Venice Art Center and the Venice Community Center.

Trailheads

VABI (Venice Area Beautification Inc.) Trailhead

257 North Tamiami Trail, Venice

The Legacy Trail links to the Venetian Waterway Park (VWP) located near the historic Venice Train Depot at the Venice Avenue Bridge, here trail users can continue south on the VWP mainland trail to Shamrock Park and Nature Center or cross the Intracoastal Waterway to the VWP island-side trail and south to Caspersen Beach Park. It is about 15 miles from the Legacy Trail's beginning point near Sawyer Loop Road in Sarasota to Venetian Waterway Park and its southern trailheads at Caspersen Beach Park or Shamrock Park.

Caspersen Beach Trailhead

4100 Harbor Drive, Venice

Caspersen Beach Park is recognized as one of the best shelling beaches in this area. Visitors can enjoy a 20-minute walk through Caspersen's nature trail, which winds through a coastal hammock. Amenities include 9,000 feet of beach, 1,100 feet of boardwalk, a playground, kayak launch, dune walkovers, restrooms and a picnic area.

Shamrock Park Trailhead

3900 Shamrock Drive, Venice

Shamrock Park and Nature Center offers more than 80 acres of natural area land providing opportunities for nature study, educational hikes and environmental programs as well as facilities for active recreation. Amenities include restrooms, picnic tables, a pavilion, playground, basketball courts and tennis courts.

Welcome to The Legacy Trail and Venetian Waterway Park, two of the most popular recreational areas in Sarasota County. Thousands of walkers, joggers and cyclists use these trails every month to exercise, connect with nature or just relax.

Sarasota County has something for everyone: the No. 1 beach in America (2011), Siesta Beach; great shopping, fine dining, many cultural attractions and, of course, the most beautiful sunsets anywhere. The best part is that virtually all of it is accessible from the trails.

Trail Etiquette and Rules

The Legacy Trail and Venetian Waterway Park trails are used by thousands of walkers, joggers, cyclists and in-line skaters every month. The rules are designed to ensure that everyone is able to enjoy all the features of the trails safely. Trail users should remember the **three "C's"** of trail use:

Courtesy – Stay to the right; let others pass on your left; announce you are "passing on the left."

Consideration – When the trail is crowded, slow down; pull off the trail to chat.

Control – Cyclists and in-line skaters should be in control and obey the 15 mph speed limit at all times.

- Trails are open for use from sunrise to sunset.
- The speed limit on the trail is 15 mph.
- Motorized vehicles are prohibited.
- Pets are allowed on a maximum 6-foot leash.
- No littering.
- Cyclists under the age of 16 must wear a helmet.
- A complete list of rules can be found at all trailheads.
